Re: *Technology Transitions Policy Task Force, GN Docket No. 13-5*

Dear Ms. Dortch:

On March 10, 2014 Chris Murray (SVP, Public Policy) and John Dobbins (SVP, Network Access) of EarthLink, Inc. met with Jon Sallet and Linda Oliver (General Counsel's Office), Jonathan Chambers (Office of Strategic Planning & Policy), and Carol Simpson (Competition Policy Division). During the meeting, we discussed the potential format of IP experiments with several different carriers.

We briefly outlined our hope to work with AT&T on wholesale trials and expressed concerns that wholesale services might not be available at the outset of AT&T's proposed experiments.

Please do not hesitate to contact me if you have any questions or concerns regarding this submission.

Respectfully submitted,

/s/ Chris Murray
